| COVID-information | Competitors traveling within the Suomu training-bubble have arrangements made to maintain standards according to Suomu Health Security Plan throughout the race days, both during the competition as well as in accommodations. |

Competitors arriving from outside of Finland and outside of the training-bubble of Suomu will need a regular (non-quick) corona test no older than 72 hours, as well as reason for entry into the country. Representing your country in your country's delegation for an international sports competition is a valid reason. Race organization will prepare an invitation upon request.

Competitors who are traveling from within Finland are free to take part in competitions without a corona test, though amenities at the site will be restricted to outdoor vendors, lodging in chalets without possibility for board (chalets have kitchen facilities).

Protective mask required all the time outside and inside (except competition run). Specific security distance rules in force.
